

Ministry of Foreign Affairs and Expatriates

Number: 18/1110/38188

Date: 04/08/2024

The Ministry of Foreign Affairs and Expatriate Affairs of the Hashemite Kingdom of Jordan presents its best regards to all diplomatic missions accredited to the Hashemite Kingdom and has the honor to inform them that the Greater Amman Municipality has announced the tender for “Amman Smart City Project - First Wave - Mobility” No. 2024/1/37 (Invitation For Tender attached). This ambitious project is embodied in four distinct waves of projects, with the first wave focusing on implementation in six key areas in the Central Amman region, and forming the cornerstone for future expansion to include all areas in Amman through four pivotal solutions under the title “Smart Mobility”, which are: -

Solution 1: Real-time traffic monitoring and management.

Solution 2: Smart parking.

Solution 3: Smart traffic fines.

Solution 4: Predictive street maintenance.

The announcement includes an invitation to all interested and qualified local and international bidders to submit their (technical offers only in the first phase of the tender).

The Ministry would appreciate it if the esteemed embassies would send and circulate the tender invitation to the relevant competent and qualified authorities to apply for the tender, noting that the last date for receiving inquiries is 15/08/2024, and the submission ends on 23/09/2024.

The Ministry of Foreign Affairs and Expatriates takes this opportunity to express to the esteemed embassies its utmost appreciation and respect.

All diplomatic missions accredited to the Hashemite Kingdom / Amman
